

2023 SDSWMA Restricted Used Site and Spring Solid Waste Operators Workshop

Tuesday, April 11, 2023

10:00 am - 3:00 pm - Restricted Use Site Operators Workshop

Topics to be covered include: *permitting, facility design, daily operations, inspections, recordkeeping and site closure*. This workshop is intended for mayors, council members, county commissioners, public works staff and facility operating personnel, this course will highlight the importance of these sites to your community. The setting will be informal and conducive to attendee participation. If you operate a rubble or restricted use site, permitted by SD DANR, you need to attend! Lunch is included!

Dinner on your own
